#### INDEPENDENT AUDITORS' REPORT

#### TO THE MEMBERS OF INSURANCE COUNCIL OF BRITISH COLUMBIA

# **Opinion**

We have audited the financial statements of Insurance Council of British Columbia (the "Council"), which comprise:

- the statement of financial position as at May 31, 2020;
- the statement of operations for the year then ended;
- the statement of changes in net assets for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Council as at May 31, 2020, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

# Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Matter

The financial statements of the Council for the year ended May 31, 2019 were audited by another auditor who expressed an unmodified opinion on those financial statements on August 27, 2019.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Council's financial reporting process.

# Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
  a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
  involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
  control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements Year Ended May 31, 2020

#### 1. NATURE OF OPERATIONS

The Insurance Council of British Columbia (the "Council") is constituted under the Financial Institutions Act of British Columbia (the "Act") and is a tax-exempt body under Section 149 of the *Income Tax Act*. The Council determines the qualification and suitability of applicants for licensing as insurance agents, insurance salespersons and insurance adjusters; administers examinations to such applicants; and issues the respective licences. In addition, the Council investigates complaints and determines any required disciplinary action.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Council have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") and include the following significant accounting policies.

### (a) Revenue recognition

The Council follows the deferral method of accounting whereby restricted revenues are deferred and recognized at the time the related expenditures are incurred. Unrestricted revenues are recorded when received.

With the exception of the internal restriction for Investment in Property and Equipment, there are no restrictions over the net assets of the Council.

Revenue (Council fees - Licensees) are recognized over the term of the license period. Council fees - Licencees related to the subsequent fiscal year and received in the current fiscal year are recorded as deferred licensing revenue.

Revenue (Council fees - First and re-applications) are recognized when the application is processed or when the applicant decides to not proceed with the application and forfeits the fee. Application fees collected during the fiscal year that have not been processed as at fiscal year end are considered as pending application fees.

Revenue (Council fees - Insurers) are recognized when collection is reasonably assured.

Examination revenue is non-refundable and is recognized when the exam is written.

Fines revenue and investigation and hearing costs recovery are recognized as revenue when collection is reasonably assured.

Interest income is recognized as earned based on the passage of time at the stated interest rate.

Notes to Financial Statements Year Ended May 31, 2020

#### 2. SIGNIFICANT ACCOUNTING POLICIES — continued

### (b) Property and equipment

Property and equipment are recorded at historical cost and amortized using the straight-line method over their estimated useful lives, commencing when they are put into use, over the following periods:

Furniture and equipment 5-10 years
Computer hardware 5 years
Minor computer software 2 years
Major computer software systems 5 years

Amortization of leasehold improvements is recorded over the remaining term of the lease.

### (c) Employee Future Benefits

The Council and its employees make contributions to a defined contribution Group RRSP plan. The Council matches all staff contributions up to 5% of gross earnings for all employees and 6% for senior management. The Council's contributions to the Plan are expensed when incurred.

#### (d) Tenant inducement

Tenant inducement represents funds received upon signing the new office premises lease. Such amounts are amortized as a reduction of rent expense on a straight-line basis over the lease term.

#### (e) Financial instruments

Financial instruments are recorded at fair value when acquired or issued. All short and long term investments have been designated to be in the fair value category, with gains and losses reported in operations. All other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs are expensed for those items remeasured at fair value at each statement of financial position date and charged to the financial instrument for those measured at amortized cost.

Notes to Financial Statements Year Ended May 31, 2020

#### 2. SIGNIFICANT ACCOUNTING POLICIES — continued

#### (f) Use of estimates

The preparation of these financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent asset and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates include useful lives of the property and equipment and completeness of accounts payable and accrued liabilities. While management believes these estimates are reasonable, actual results could differ from the estimates and could impact future results of operations and cash flows.

#### 3. FINANCIAL INSTRUMENTS

The Council through its financial assets and liabilities, is exposed to various risks. The following analysis provides a measurement of those risks at May 31, 2020. There have been no changes to the risks in the current year.

### (a) Credit risk

Credit risk is the risk that the Council will incur a loss due to the failure by its debtors to meet their contractual obligations. Financial instruments that potentially subject the Council to significant concentrations of credit risk consist primarily of cash and investments. The Council limits its exposure to credit risk by placing its cash and investments with various high credit quality financial institutions, in accordance with investment policies adopted by the Council.

The Council is also exposed to credit risk arising from all of its bank accounts being held at one financial institution and deposits are only insured up to \$100,000.

# (b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fixed-interest instruments subject the Council to a fair value risk. The interest rates and terms of cash and investments are disclosed in Notes 4 and 5. The Council limits its exposure by ensuring the investments have a fixed term and guaranteed maturity value, and by limiting the maximum investment term in accordance with investment policies adopted by the Council.

#### (c) Liquidity risk

Liquidity risk is the risk that the Council will not be able to meet its obligations as they fall due. The Council maintains adequate levels of working capital and prepares cash flow forecasts to ensure all its obligations can be met when they fall due.

#### 4. CASH

The Council's bank accounts are held at one chartered bank earning interest at market rates.

Notes to Financial Statements Year Ended May 31, 2020

#### 5. INVESTMENTS

Investments held by the Council consist of guaranteed investment certificates ("GICs") with effective interest rates ranging from 1.40% to 2.65% (2019 - 2.35% to 3.00%) maturing between October 29, 2020 to May 26, 2021 (2019 - October 25, 2019 to May 25, 2021). They are placed in various high credit quality financial institutions in accordance with the Council's investment policy.

	2020	2019
Short term GICs Long term GICs	\$ 3,072,065 \$	1,611,880 400,166
	\$ 3,072,065 \$	2,012,046

The Council's investments are reinvested upon maturity at the interest rates available at the time. As a result, fluctuation in interest rates on such investments will affect interest income earned and the fair market value of the investments.

#### 6. PROPERTY AND EQUIPMENT

	2020				2019	
	Cost		cumulated nortization		Net	Net
Furniture and equipment Leasehold improvements Computer hardware Minor computer software Major computer software	\$ 238,431 1,265,787 383,751 115,994	\$	186,006 896,140 256,810 106,700	\$	52,425 369,647 126,941 9,294	\$ 55,552 550,968 71,999 40,888
systems	\$ 1,744,568 3,748,531	\$	1,020,059 2,465,715	\$	724,509 1,282,816	\$ 684,995 1,404,402

#### 7. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	2020	2019
Accounts payable and accrued liabilities	\$ 204,037 \$	389,939
Accrued vacation	139,777	97,646
Government fees payable	695,650	771,136
Salaries payable	2,996	11,092
	\$ 1,042,460 \$	1,269,813

Included in accounts payable and accrued liabilities are government remittances payable of \$47,000 (2019 - \$29,191).

Notes to Financial Statements Year Ended May 31, 2020

#### 8. COMMITMENTS

Council has an operating lease with respect to its office premises until May 31, 2022. Pursuant to the terms of the lease, the Council will pay rent of an annual base rent plus its proportionate share of operating costs and property taxes. The annual base rent payments required in respect of the rented premises in the next two fiscal years are as follows:

2021 2022	\$ 362,297 362,297
	\$ 724,594

#### 9. DEFINED CONTRIBUTION RETIREMENT PLAN

Council maintains a defined contribution Group RRSP plan for its employees. During the year, the Council paid \$158,840 (2019 - \$141,103) for employer contributions to the plan.

#### 10. RELATED PARTY TRANSACTIONS

During the year, \$nil (2019 - \$8,750) was paid to family members of the Council's employees for exam proctor services provided. These transactions were in the normal course of operations and are measured at their exchange amount.

#### 11. IMPACT OF COVID-19

The outbreak of the novel strain of coronavirus, specifically identified as "COVID-19", has resulted in governments worldwide enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and physical distancing, have caused material disruption to business globally resulting in an economic slowdown. Global equity markets have experienced significant volatility and weakness. The duration and impact of the COVID-19 outbreak is unknown at this time. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Council in future periods.

#### 12. COMPARATIVE FIGURES

Certain comparative figures were reclassified to conform to the presentation adopted in the current year.
