## **INTENDED DECISION**

of the

**INSURANCE COUNCIL OF BRITISH COLUMBIA**  
(“Council”)

**respecting**

**SEAN STEWART SIMPSON**  
(the “Licensee”)

### **INTRODUCTION**

Pursuant to section 232 of the *Financial Institutions Act* (the “Act”), Council conducted an investigation to determine whether the Licensee acted in compliance with the requirements of the Act.

On August 12, 2014, Council considered an allegation that the Licensee failed to notify Council of the expiry of his errors and omissions (“E&O”) insurance coverage within five business days of the loss of coverage, in accordance with Council Rule 7(11).

At the conclusion of its meeting, Council determined that the matter should be disposed of in the manner set out below.

### **PROCESS**

Pursuant to section 237 of the Act, Council must provide written notice to the Licensee of the action it intends to take under sections 231 and 236 of the Act before taking any such action. The Licensee may then either accept Council’s decision or request a formal hearing. This intended decision operates as written notice of the action Council intends to take against the Licensee.

### **FACTS**

Council made the following findings of fact:

1. The Licensee has held a life and accident and sickness insurance agent (“life agent”) licence since August 17, 2007.

2. The Licensee did not renew his E&O insurance, which expired on May 1, 2014.
3. The Licensee did not notify Council of the termination of his E&O insurance.
4. The Licensee stated, and Council accepted, that he did not conduct any insurance activities during the time he was without E&O insurance.

Council Rule 7(11) states:

(11) Effective January 1, 2006, unless otherwise determined by Council a licensee:

- (a) must maintain or be covered by E&O insurance, which extends to all activities as a licensed insurance agent, salesperson or adjuster, with:
  - (i) a minimum limit of \$1,000,000.00 per claim; and
  - (ii) a minimum aggregate limit of \$2,000,000.00;
- (b) who is a direct employee of an insurer is exempt from subsection (a) where:
  - (i) the licensee only sells the products of that insurer; and
  - (ii) the licensee provides certification from the insurer that:
    - (A) the licensee is an employee of the insurer;
    - (B) the company accepts responsibility for the licensee's activities as a licensee; and
    - (C) the company will respond to E&O claims against the licensee on the same basis as set out in subsection (a);
- (c) that is no longer insured as required under subsection (a) or (b) must:
  - (i) notify Council within 5 business days; and
  - (ii) immediately stop conducting any insurance activities;
- (d) will have the licence automatically suspended without Council taking any action, where the licensee remains uninsured for a period exceeding 30 calendar days; and
- (e) will have the licence suspended under subsection (d) automatically reinstated where:
  - (i) the licensee obtains the required E&O insurance within 30 calendar days from the date of the suspension; and
  - (ii) the licensee delivers to Council the required verification; otherwise the licence is terminated.

## ANALYSIS

Council found the above-mentioned facts constituted a breach of Council Rule 7(11)(c)(i), in that the Licensee failed to notify Council within five business days of ceasing to have E&O insurance. Council accepted that the Licensee did not conduct any insurance activities while he was without E&O insurance and, therefore, did not place any clients at risk. Council concluded there was no evidence to suggest the Licensee's actions were intentional and, as a result, determined a nominal fine to be appropriate.

In considering the appropriate disposition in this matter, Council noted that precedent for unintentional breaches of Council Rule 7(11)(c)(i), as it relates to individual life agents, is a fine of \$500.00. Council determined that a fine in the amount of \$500.00 was appropriate in these circumstances.

#### **INTENDED DECISION**

Pursuant to sections 231 and 236 of the Act, Council made an intended decision to fine the Licensee \$500.00.

The Licensee is advised that should the intended decision become final, the fine will be due and payable within 90 days of the date of the order. Failure to pay the fine within the 90 days will result in the automatic suspension of the Licensee's life and accident and sickness insurance licence and the Licensee will not be permitted to complete any annual filing until such time as the fine is paid in full.

The intended decision will take effect on **September 16, 2014**, subject to the Licensee's right to request a hearing before Council pursuant to section 237 of the Act.

#### **RIGHT TO A HEARING**

If the Licensee wishes to dispute Council's findings or its intended decision, the Licensee may have legal representation and present a case at a hearing before Council. Pursuant to section 237(3) of the Act, to require Council to hold a hearing, the Licensee must give notice to Council by delivering to its office written notice of this intention by **September 15, 2014**. A hearing will then be scheduled for a date within a reasonable period of time from receipt of the notice. Please direct written notice to the attention of the Executive Director.

If the Licensee does not request a hearing by **September 15, 2014**, the intended decision of Council will take effect.
