

INSURANCE COUNCIL OF BRITISH COLUMBIA

INFORMATION SESSIONS

The Insurance Council of British Columbia (“Council”) has been holding *Information Sessions* to address the new continuous licensing process, Council Rules, mandatory errors and omissions insurance and continuing education, as well as to answer industry questions. These meetings are recommended for any person holding a life insurance, general insurance or adjuster licence.

Due to the overwhelming response to the *Information Session* held in Surrey in October a second session has been scheduled.

The date and location for the second session in Surrey is:

Wednesday, January 16, 2008
10:00 a.m. to 12:00 p.m.
Sheraton Guildford Hotel
Guildford Room
15269 104th Avenue
Surrey

Pre-registration is not required. The meeting will be held on a first come, first seated basis. We have arranged seating for 700 and do not anticipate turning anyone away.

The *Information Session* will qualify for technical continuing education credits.

If you have questions about these *Information Sessions*, please contact Regulatory Services Department at 604-688-0321, or toll-free within B.C. at 1-877-688-0321, at the main menu press “2”.
