**DECISION AND ORDER
UNDER SECTIONS 231 & 238 OF THE ACT**

WHEREAS the general insurance agent licence held by the Agency's nominee, Yik Lun Hui, has been suspended effective March 15, 2011, pending an investigation by Council into allegations that he failed to competently carry out his duties and responsibilities as a nominee and that he knowingly processed improper insurance transactions;

AND WHEREAS an investigation of the Agency identified misconduct that brings into question the supervision at the Agency;

AND WHEREAS Council determined that misconduct at the Agency arose from the activities of a past owner of the Agency, a present owner of the Agency, as well as from Yik Lun Hui, all of whom failed to perform their responsibilities adequately;

AND WHEREAS Council determined it is necessary to require that the Agency be supervised by a person who is capable of taking sufficient steps to ensure that adequate procedures and measures are implemented at the Agency to prevent similar misconduct from arising in future;

AND WHEREAS Council considers it to be in the public interest to attach conditions to the Agency's licence, pursuant to section 231(1)(h) of the Act, to address the concerns with the supervision at the Agency;

AND WHEREAS Council determined that the length of time required to hold a hearing on the matter would be detrimental to the due administration of the Act:
